---

### PROFESSIONAL EXPERIENCE

#### Commercial Director | Medglue LLC | Apr 2024 – Present

*Pharmaceutical products — promotion & wholesale distribution*

- **Revenue growth:** Grew annual sales by 40% through new marketing strategy development and stronger key-account management.
- **Market expansion:** Acquired major new clients, increasing overall market share.
- **Process optimization:** Implemented an automated CRM system, improving sales communication and pipeline management.
- **Cost efficiency:** Reduced operating costs by 15% with no loss of service quality.
- **Team development:** Upskilled the sales team, lifting productivity by 30%.
- **Tenders:** Won key government/institutional tenders for medical equipment supply, strengthening market position.

#### Commercial Director | Technology of Light LLC — TM Raduga | Apr 2022 – Apr 2024

*Lighting equipment manufacturer & distributor (indoor & outdoor lighting poles)*

- **Strategy:** Built and rolled out the company's commercial policy, systemizing the sales process and improving revenue predictability.
- **Governance:** Introduced sales department regulations and KPIs, cutting task approval time by 30%; restructured the department for better cross-functional efficiency.
- **Revenue growth:** Increased company revenue by 60% via pricing strategy overhaul, client base expansion and sales channel optimization.
- **International expansion:** Took the company into international markets, signing contracts with foreign partners.
- **New product line:** Launched a new sales division (lighting poles & interior lighting), generating an additional RUB 70M in annual revenue.
- **Team building:** Recruited and trained a 15+ person sales team from scratch, cutting onboarding time from 3 months to 1.
- **Enablement:** Rolled out a training/mentorship program (+40% department productivity) and automated CRM reporting (-25% time on routine operations).
- **Client value:** Increased average order value by 35% through up-sell/cross-sell; launched a loyalty program (+20% retention).
- **Cost control:** Cut logistics costs by 18% and procurement costs by 12% by renegotiating supplier terms, with no quality trade-off.

#### Senior Sales Manager | Grandtechservice LLC | Jun 2020 – Mar 2022

*HVAC, low-current systems & building engineering — installation, service, maintenance*

- Grew the client base by 90% between 2020 and 2022.
- Secured major accounts including Er-Telecom (Dom.ru), Tver Excavator Plant, Rostelecom, Hitachi Plant, and others.
- Consistently met and exceeded sales targets at 80–200% of plan.

### **Medical Representative | Zhivoy Bank LLC | Nov 2019 – May 2020**

*Pharmaceuticals — clinical research & laboratory services*

- Signed agreements with 20+ key clients (clinics, physicians) and delivered 50+ successful presentations, consistently hitting 80–200% of sales plan.
- Automated client tracking in Bitrix24 and built a database of 500+ medical specialists, speeding up communication and expanding territorial coverage.

### **EDUCATION & CERTIFICATIONS**

---

- Higher Education — Information Technology / Applied Informatics, Tver State Technical University (2021)
- Public & Corporate Procurement under Federal Laws 44-FZ / 223-FZ — Kontur School (2025)
- "Real Sales Department" — Mikhail Grebenyuk / Resulting, Sales Methodology (2023)

### **ADDITIONAL INFORMATION**

---

Strong cross-market experience across B2B, B2C and e-commerce channels, including corporate/institutional sales. Advanced user of 1C, Bitrix24, CRM platforms, MS Office (Word, Excel, PowerPoint, Outlook). Designed an in-house sales training system to raise team skills and motivation. Known for fast integration into new teams, high accountability, and calm, effective decision-making under pressure. Willing to relocate and travel for business.
